WELCOME

Hi everyone, we are the Derby Six and we want to tell you what's happening for families in Derby!

Although 2021 may have been slightly different with the COVID-19 pandemic, we want to reassure you that all Derby City Council facilities and activities are following government guidance to ensure you and your families are safe.

There is lots for you all to get involved in, as individuals or as a family!

Let's find out what the Derby Six like to do.

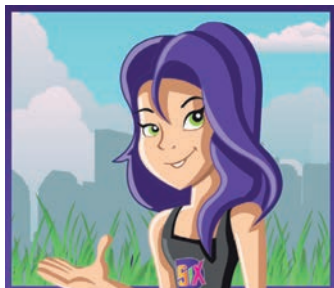

Stix loves Markeaton Park, he enjoys the open space with his family, enjoying bike rides and playing Mini Golf. Clix is learning to swim and visits Queen's Leisure Centre each week to improve her confidence in water, ready for when she takes a splash in the pool on holiday.

Trix and Kix, love cycling and learn tricks at the Alvaston Park BMX track and ride the Derby Arena indoor track. You will find Vix at Derby's Libraries where she will be enjoying the Big Summer Read challenge and the click and collect service, but she also likes to go to the Coding Club with Flix.

All the Derby Six are excited this year as events are back, and with their families they will be going to Darley Park Concert, but also the Pantomime at Derby Arena, which is Sleeping Beauty.

So, why not take a look through this Family Guide and plan a fun day out for everyone!

All programmes, events and up to date information can be found at inderby.org.uk or why not download the In Derby FREE App.

Clix is the leader of The Six, she finds out about all the great activities on offer in Derby and posts them on the website and social media.

Kix is into all kinds of sport. Come and join him at Derby Arena and Queen's and Springwood Leisure Centres for swimming, badminton, footie and more!

Trix loves cycling and spends loads of time at Derby Arena where he can ride the 42 degree track and keep fit in the gym and on the courts.

Flix loves going to the cinema and the theatre. Lucky there's some great shows coming up in Derby.

Vix loves to find out about new things. She'll be doing loads of cool activities in Derby Libraries including computer programming at Code Club.

Stix hangs out in the park all the time because there's so much to do. Markeaton Park has a great play centre and he loves the BMX track at Alvaston.
