YOU CAN FOSTER

Derby City Council **urgently** needs foster carers to provide **care, support** and a **loving home** to the city's most vulnerable children.

Could you **change a life** and be a foster carer?

Fostering is an **enriching** and **rewarding** experience for **you**, your **family** and the **children** you will care for.

You may ask is fostering for me, well there are many different types of carers, which all are part of the Derby City Council Fostering Family, including:

- **Short-term fostering:** full time care but the length of stay may vary.
- **Long-term fostering:** full time care nurturing and developing a young person into adulthood.
- **Respite fostering:** weekend and set holiday care.
- **Supported Lodging fostering:** for a young person aged 16-21.
- **Family Link Care:** short breaks for children with disabilities.
- **Place to call home:** fostering young refugees.

You must:

- be over 21 years of age
- have a spare bedroom (babies can share the foster carers bedroom up to the age of 12-18 months)
- have the time and energy to care for a child or young person
- live in or within a reasonable travelling distance of Derby City
- be living in the property in which you intend to foster.

You can:

- be married, single, in a civil partnership, living with a partner, divorced or widowed
- be of any religion or no religion
- be of any sexual orientation or gender identity
- be of any cultural or ethnic background
- be a home owner or tenant.

You just need to have the love in your heart and time to share to support our Derby Children in care.

If you are caring, energetic and have the space for a child, then fostering could be for you. Just come along for an informal chat at our information events or give us a call.

There is no pressure, the Foster Team will support and offer advice every step of the journey. Foster carers do receive payment and training to support their journey - details of which can be found by visiting: derby.gov.uk/fostering
