DERBY CITY COUNCIL

Hello!

Welcome to the BIG 1 2013!

This year we've crammed in even more exciting attractions and things to do, like our new military arena, with exhibitions and demonstrations from our armed forces – and the magical medieval village located alongside the brook. We've also got Bollywood Dance workshops and dance performances, a revamped Charity Dog Show and even more information and exhibit stalls. This year also sees the return of our live music stage and international food court, as well as the family favourites including the fun fair!

This event is organised by local people, together with Derby Live and Derby Homes, and we really welcome your feedback! So if you have any ideas please come and see us at the Event Information Point.

Thanks and have a great day!
