## Derby's Family Friendly Arts & Culture

Derby has a great selection of welcoming and accessible arts and cultural venues for families. From classical music to craft, digital exploration to dance, live theatre to cinema, our venues and organisations are all within walking distance from Derby City Centre.

We recognise that families come in all shapes and sizes, and with a variety of different needs, so we aim to offer something for everyone with dedicated activities, accessible venues, family pricing (plus lots of free events!) and our friendly staff are ready to welcome all kinds of family audiences. Together we provide a rich variety of cultural events so families can enjoy arts activities together.

We have all pledged to the Family Arts Standards and use the Fantastic For Families badge in our programmes to highlight events which are aimed at, and can be enjoyed by, families in Derby and across the East Midlands all year round.

The Derby Family Arts Network is part of a larger national organisation which supports the annual Family Arts Festival, please see more information at: [www.familyarts.co.uk](http://www.familyarts.co.uk)
