Q: What time will the screening start?

A: The screening will start approximately 30 minutes after sunset which will be on or after 9pm on this date. This is however dependant on when the natural light levels are sufficiently low. Doors will open within the Craft Village 1 hour prior to the screening. We would however encourage you to come and make use of the fantastic facilities at Markeaton Park, including the Mundy Play Centre, beautiful park walks, footgolf and high ropes (both a pre-bookable) and browse the stores in our Craft Village.
