Hello

...and a big thank you to those of you who have shown your support following the fire at the Assembly Rooms that has resulted in the closure of the venue for at least 18 months. As they say in the business, 'the show must go on' and we have been working hard to re-home or re-schedule as many events as possible, as well as ensuring we have a great programme of LIVE performances, events and festivals for the coming season.

There's plenty to see and do as we make our way into summer, kicking off with 10 days filled with funny from the first **Derby Comedy Festival** this June. The annual **CAMRA Beer Festival** moves onto the Market Place and we have drama in the Guildhall Theatre, as well as music, comedy and more at The Silk Mill, The Spot, Derby Cathedral and Robert Ludlam Theatre. If you're looking for something to keep the kids occupied, then why not book for the **Summer Theatre School** – a week-long series of workshops for those aged 8 – 16.

We're also excited to be able to bring you a huge selection of outdoor events, from our **Farmers' Markets, Arts & Craft Fair** and **Italian Market** to an evening of classical music and fireworks at **The Darley Park Concert** and the spectacular two day extravaganza of live performance that is **Derby Festé**.

Assembly Rooms update...

Following the fire at the Assembly Rooms on Friday 14 March, the Council confirmed it will be closed for a minimum of 18 months.

Chief Executive, Adam Wilkinson has said *"The Council is committed to a significant cultural facility in the city centre but due to the on-going assessment of damage after the fire, it has become clear we cannot re-open the building as quickly as we would like. We are continuing to work through the various options open to us, based on either refurbishing or replacing the current building."*

We're still exploring opportunities to move some events to other venues and are pleased to confirm that both the **Derby Comedy Festival** and **Derby Folk Festival** will be going ahead.

Our Box Office staff have been working through customer refunds in date order of event and we'd like to thank all of you for your patience and understanding.

All other scheduled Derby LIVE events in the Guildhall Theatre, on the Market Place and other outdoor spaces, are going ahead as planned. The Box Office and Tourist Information Centre are also open as usual.

Derby Arena coming soon...

Work on Derby Arena is coming along well with completion scheduled for November 2014. As well as being a fantastic space for sport and physical activity the Arena will be a venue for cultural events, exhibitions, product launches and conferences.
